

# Explore. Learn. Share.

## Introducing Patient.TouchMD.com

Patient.TouchMD.com is a secure website that allows you to review your TouchMD files and share that information with others. Log in using your home computer to:

- View or print any images saved by your doctor during your office visit and share this experience with your loved ones.
- Complete any homework instructions assigned by your doctor
- Review services or products recommended by your doctor.
- Learn more about the doctor, their staff and facilities.
- Explore topic videos about your procedure or medical condition.
- Review pre and post-operative instructions provided by your doctor.

## What is TouchMD?

TouchMD is a state-of-the-art system that enhances doctor-patient relationships. Learn more about your upcoming procedure or medical condition using an easy to navigate touch-screen computer in the doctor's office.

## How to Log In

To log in, please follow the instructions sent to your email in order to create your password. For your convenience we have written the email you have provided our office within the space below. Do not share your login information with others.
